Dear Beatrice,

I am writing to let you know that Helen Marci passed away on May 22, 2003 and her sister Marguerite passed away on December 20, 2002. I would have let you known sooner but was not quite sure where to write. I hope you have someone who can read this for you as I do not know how to write in Swiss, but I can read most of it.

My name is Anita and I am the daughter-in-law of Marguerite Settrini and a niece of Helen.

Helen never let you know about her sister because soon after Marguerite died Helen went into a rest home and then to the hospital. She had been sick for a very long time. I helped take care of her and my sister-in-law was with her when she died. Helen was 85 years old and Marguerite was 95. Now all the Marci brothers and sisters have passed away.

I am sorry to tell you of this sad news, but we wanted you to know.

Please write me if you would like. Wishing you a Happy New Year.

Sincerely,
Anita Settrini
